Theme Artwork

Here is a sample of the Peace Variations theme artwork for the 2002 Concord Band concert series. The shirts had original artwork for the front design with a co-ordinated back design listing the fall concert schedule. Concord Band also awards each band member a custom embroidered patch at the end of the concert series.

For help in ordering original theme artwork or award patches call 1-800-531-4656 and talk to Rachel Robinson, Spiritwear Specialist.
