

Spiritwear Representative Application Form

Spiritwear Background

Ram Graphics has provided shirts to schools for over 30 years. For the last 20 years RAM Graphics has promoted its line under the name Spiritwear which sells to cheerleading squads as well as gymnastics, dance, basketball, volleyball and soccer teams. Our quality screen printing and embroidery combined with quick delivery have established Spiritwear as a company on which teachers and coaches can depend.

Ram Graphics is a family owned business founded by four former teachers. We are interested in the activities of young people and specialize in printing designs that promote school or team programs.

Spiritwear Sales Representative

Although Spiritwear is primarily a mail-order company selling in stock garments and accessories, a significant part of our business is providing teams with custom printed or embroidered shirts. For this we offer coaches or team parents the opportunity to represent Spiritwear to teams or squads in their local areas. This position can be **part-time** and representatives continue in their current employment or home responsibilities.

Spiritwear Commission

The position of Spiritwear Representative is commission based. If a person is selected as a Spiritwear Representative they are paid **10% commission** on initial orders for any school or team. If that school or team continues to order from Spiritwear, the sales representative continues to earn the **10% commission** on all of the orders for that account. Commission checks are paid monthly by the 15th of the following month.

If an account does not order for a period of 6 months, the account reverts back to become a house account. The sales representative can reestablish the account by securing a new order from the school or team. Spiritwear reserves the right to decide representation on all accounts.
